Old_survival − KEGG Pathways
Cytokine−cytokine receptor interaction
Viral protein interaction with cytokine and cytokine receptor
Chemokine signaling pathway
Human cytomegalovirus infection
IL−17 signaling pathway
Hematopoietic cell lineage
Rheumatoid arthritis
Amoebiasis
NF−kappa B signaling pathway
Toll−like receptor signaling pathway
Chagas disease
C−type lectin receptor signaling pathway
TNF signaling pathway
Malaria
Legionellosis
Inflammatory bowel disease
Pertussis
Protein digestion and absorption
